After-Sales Request

Please send this form, alongside the purchase invoice and return the product to the address noted above (for stirrups and stirrups' leathers, please send the full pairs).

In the absence of proof of purchase, repairs will be invoiced.

Please ensure that you send the products in a clean state, or we may charge for a cleaning fee.

The repair has been completed and the product has been inspected and tested to ensure that the repaired area is functioning properly at the time of return. The product has been confirmed to be fully functional when leaving our facility. Any issue occurring thereafter as a result of improper use or handling is unrelated to the repair performed by Freejump and is therefore not covered by our repair warranty.
